CIRCULAR

Sub: Dress Code for MAHE Students

Ref: MAHE Academic and Administrative Heads meeting held on February 10, 2023

MAHE believes in preparing its students for their professional life and therefore, it becomes important for all the stakeholders to understand and actively participate in this endeavour. It is expected that our students are aware of what constitutes a socially acceptable behaviour, professional dress code and appropriate decorum on all occasions, on campus and outside while representing the institution.

In addition, every student shall follow institutional regulations regarding the dress code in all academic activities.
