*Centre of Excellence*

Celebrates

# World Earth Day

**22 April 2022**

Photography Competition

**Theme: Natural Landscapes**

Panel Discussion

**Theme: Invest in our Planet**

**3:00 pm onwards 22 April 2022**

**Auditorium, Planetarium Complex, MCNS**

## The Rules

- The photography competition is open to all students and faculty of MAHE (One entry per person).
- All the entries should only be submitted via the MS forms.
- The last date of submission is 20th April, 2022.
- The entries will be judged on composition, uniqueness and how well your idea is portrayed. The decision of the judges will be final.
- All participants will receive the certificate and the top three entries selected by the panel of judges will be given a special prize.
- The Photographs submitted should be in JEPG format with a caption. Photos could be meaningfully processed without being over top. No digital manipulation will be considered as an entry.
- Plagiarism is strictly prohibited.
- Images submitted should be of high resolution.

Submit your photographs here:
