

# MANIPAL-TATA MEDICAL COLLEGE JAMSHEDPUR

MTMC/DO/009

4<sup>th</sup> February 2023

## Pharmacovigilance Committee

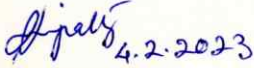

**Sub:** Reconstitution of MTMC – Pharmacovigilance Committee

As per Pharmacovigilance program of India the CDSCO (Central Drug Standard Control Organization), DGHS (Directorate General Health Services) under the aegis of Ministry of health and family welfare, Govt. of India in collaboration with IPC (Indian Pharmacopeia Commission) Ghaziabad has launched nationwide pharmacovigilance program at various NMC approved medical colleges and hospital. So, the pharmacovigilance committee (PVC) has been framed as per NMC guidelines requirement in our institution with following objectives.

### Objectives

- To identify & report cases of **Adverse Drug Reactions (ADRs)** in all patients attending Tata Main Hospital.
- To create awareness amongst health care professionals about the importance of ADR reporting and to ensure quality of filled ADR forms.
- To monitor risk benefit profile of drugs, biological, vaccines, blood & blood products.
- Generate independent, evidence-based safety information about medicines.
- Support the CDSCO for formulating safety related regulatory decision for medicines.
